

**FOR IMMEDIATE RELEASE**

March 17, 2008

**RENO-BASED— IMAGE BASE INTERNATIONAL—AWARDED FOR  
NATIONAL QUALITY PRODUCTION**

**New York City, NY--**Reno-based digital media & creative agency, Image Base International, accepted a Telly Award for the 2007 client video, “The Green Network”. Image Base International was selected among 18% of all applicants in the category for Film/Video among a record 14,000 national and international applicants. The award signifies national quality production work in the bronze category, second to silver, which consists of only 7% of applicants.

“The Green Network” was an informational video using animation, illustration, and high-resolution videos explaining the process of recycling e-waste properly. Image Base International Creative Team accepted the award. Matt Schultz was the Production Director of the piece.

**About the 29<sup>th</sup> Annual Telly Awards.**

Founded in 1978, the Telly Awards is the premier award honoring outstanding local, regional, and cable TV commercials and programs, as well as the finest video and film productions. The Telly Awards annually showcases the best work of the most respected advertising agencies, production companies, television stations, cable operators, and corporate video departments in the world. The Telly Awards is a widely known and highly respected national and international competition and receives over 13,000 entries annually from all 50 states and many foreign countries.
